

HARSH PANDYA

Full-Stack Developer · Prompt Engineer · MSc IT Student

+91 9825695565

pandyaharsh528@gmail.com

Ahmedabad, Gujarat – 382415

Kherva, India

PROFILE

Motivated and detail-oriented MSc IT student with a strong foundation in full-stack web development, mobile app development, and AI-driven prompt engineering. Experienced in delivering end-to-end projects from concept to deployment, with a proven track record in academic competitions and professional internships. Passionate about leveraging emerging technologies to solve real-world problems and committed to continuous learning.

EDUCATION

Master of Science – Information Technology (MSc IT) · Silveroak University Aug 2025 – Present | Ahmedabad

Currently in Semester 2 · CGPA: Ongoing

Bachelor of Computer Application (BCA) · Ganpat University

2021 – 2024 | Gujarat

Specialisation in Web Development, Java, PHP & Database Systems

WORK EXPERIENCE

Prompt Engineer – Image & Video Generation · FYD Studio

Mar 2025 – Present | Ahmedabad

- ▶ Design and refine advanced prompts for AI-driven image and video generation models.
- ▶ Collaborate with the creative team to produce high-quality visual content at scale.
- ▶ Continuously evaluate model outputs, iterate on prompt strategies to improve accuracy and aesthetics.
- ▶ Working with cutting-edge generative AI tools for commercial content production.

Full-Stack Developer Intern · Upeya Electronics

Jan 2025 – May 2025 | Gujarat

- ▶ Completed a 5-month internship during the final semester of BCA.
- ▶ Developed and maintained full-stack web applications using HTML, CSS, JavaScript, PHP, and SQL.
- ▶ Built responsive front-end interfaces and integrated them with back-end REST APIs.
- ▶ Participated in agile sprints, code reviews, and client requirement discussions.

PROJECTS

GoalFit AI Pro – AI Fitness & Nutrition Platform · Major MSc IT Project

2026 – Present | In Development

 Status: In Active Development · AI-Powered Full-Stack Web Application

A next-generation fitness and wellness platform that uses AI-driven recommendation engines to deliver personalised workout plans, meal suggestions, BMI analysis, and progress insights. GoalFit AI Pro also features a marketplace connecting users with certified fitness coaches and dietitians for professional consultations.

- ▶ AI Recommendation Engine — personalised workouts, smart diet plans, goal prediction, calorie estimation & daily health suggestions.
- ▶ Workout Management — home & gym routines, muscle group categorisation, difficulty levels, scheduling & progress monitoring.
- ▶ Nutrition System — AI meal recommendations, daily calorie & macro tracking, vegetarian/non-vegetarian plans for weight gain/loss.
- ▶ Progress Tracking — weight & BMI history, fitness analytics, interactive graphs, goal completion percentage, weekly/monthly reports.
- ▶ Coach & Dietitian Marketplace — browse certified coaches, view profiles & ratings, book consultations, receive customised plans.
- ▶ Premium Membership — advanced AI recommendations, unlimited health reports, PDF progress export & priority support.
- ▶ Admin Panel — user, coach, dietitian & subscription management; workout & meal database; analytics dashboard.

Tech Stack: Python · Flask · MySQL · HTML5 · CSS3 · Bootstrap · JavaScript · jQuery · Git · GitHub · XAMPP · VS Code

Autonomous Multi-Mode Robot · Avishkar Event – 1st Place 🏆 *Silveroak University*

- ▶ Designed and built a multi-purpose autonomous robot with three intelligent operating modes:
- ▶ Farmer Mode – assists in agricultural tasks using sensor-based navigation.
- ▶ Delivery Mode – autonomously navigates and delivers items on campus.
- ▶ Campus Guide Mode – acts as an interactive guide for new students.
- ▶ Won 1st Place at the Avishkar event, Silveroak University.

StockAware – Student Finance Awareness App · Ideathon Participant *Silveroak University*

- ▶ Built an educational mobile application to help students understand stock market fundamentals.
- ▶ Integrated modules on online fraud awareness, safe investing, and financial literacy.
- ▶ Presented at Silveroak University Ideathon; received strong commendation from judges.

Online Perfume Store · Academic Project *Ganpat University*

- ▶ Full-stack e-commerce web application with product catalogue, cart, and checkout functionality.
- ▶ Built using PHP, MySQL, HTML, CSS, and JavaScript with admin panel for inventory management.

University Website · Academic Project *Ganpat University*

- ▶ Designed and developed a responsive university information portal using HTML, CSS, and JavaScript.
- ▶ Implemented dynamic content rendering and mobile-first design principles.

TECHNICAL SKILLS

JavaScript	React JS	PHP	Java	Python
HTML / CSS	SQL	C#	Android Dev	Web Dev
Prompt Engineering	Image Generation	Video Generation	Full-Stack Dev	Git
Flask	MySQL	Bootstrap	jQuery	AI/ML Integration

Soft Skills: Multitasking · Fast Learner · Team Collaboration · Critical Thinking · Communication · Report Writing · Proactive & Self-Motivated · Strong Interpersonal Skills

CERTIFICATIONS

-
- ▶ **Android Application Development** — Great Learning
 - ▶ **Python Fundamentals** — 360 DigiTMG
 - ▶ **Foundational C#** — Microsoft
 - ▶ **Java Programming** — Great Learning
 - ▶ **PHP Development** — Great Learning
 - ▶ **Digital Productivity** — NIIT Foundation

ACCOMPLISHMENTS

- ▶ 🏆 1st Place – Avishkar Event, Silveroak University (Autonomous Multi-Mode Robot).
- ▶ 🥈 2nd Place – Technical Presentation (English), Ganpat University.
- ▶ 🥈 2nd Place – Non-Technical Presentation (Hindi), Ganpat University.

LANGUAGES
